TALO APEX 80

DESIGNED FOR PROFESSIONALS WHO NEED COMPLETE FOCUS

Every conversation matters.

Talo Apex 80 is engineered for professionals who demand exceptional call clarity, immersive audio and uninterrupted focus throughout the workday.

Powered by advanced AI-driven voice processing and Hybrid Active Noise Cancellation, it helps reduce surrounding distractions while delivering a premium communication experience for modern workplaces.

HYBRID ANC

Reduces background noise so you can stay focused.

AI VOICE PROCESSING

Enhances voice clarity for professional conversations.

PREMIUM WIRELESS DESIGN

Enjoy the freedom of wireless with a design built for performance.

BUILT FOR HYBRID WORK

Ideal for office, home and on-the-go professionals.

TALO APEX 80

BUILT FOR PERFORMANCE

ALL DAY, EVERY DAY.

The Talo Apex 80 combines premium comfort, intelligent technology and all-day reliability to keep you focused, connected and performing at your best.

ALL-DAY COMFORT

Lightweight and ergonomically designed for extended wear without fatigue.

CLEAR, NATURAL CALLS

AI-powered voice clarity ensures your voice comes through loud and clear.

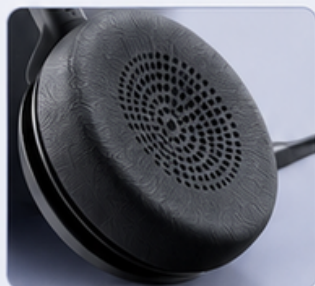

LONG-LASTING BATTERY

Stay connected longer with up to 35 hours of talk time.

FOCUS ON WHAT MATTERS.
WE'LL HANDLE THE NOISE.

DESIGNED FOR THE MODERN WORKPLACE

PLUSH EAR CUSHIONS

Soft, breathable cushions for long-lasting comfort.

EASY CONTROLS

Intuitive buttons for call, volume and mute at your fingertips.

NOISE-CANCELLING MIC

Filters background noise for professional conversations.

PORTABLE & DURABLE

Foldable design with a premium carry pouch for professionals on the go.

TALO APEX 80

DESIGNED AROUND YOUR WORKDAY

Talo Apex 80 is crafted for all-day comfort and intuitive use, so you can stay focused and communicate with confidence.

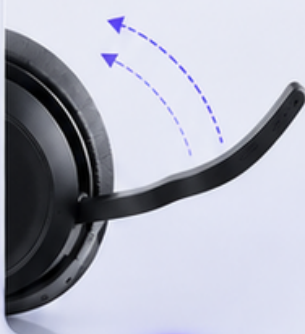

ALL-DAY COMFORT

Lightweight design, plush ear cushions and an adjustable headband deliver lasting comfort from morning to night.

LIFT-TO-MUTE MICROPHONE

Raise the boom arm to instantly mute your microphone and lower it to unmute. Simple, smart and intuitive.

AUTO WEAR DETECTION

Music automatically pauses when you take off the headset and resumes when you put it back on.

BUSYLIGHT

Integrated Busylight automatically turns on during calls to help reduce interruptions and protect your focus.

TALO APEX 80

CONNECT YOUR WAY

Stay connected to everything that matters. Talo Apex 80 offers flexible connectivity for a seamless experience across all your devices and platforms.

BLUETOOTH 5.2

Stable, fast and energy-efficient connection with extended range.

USB-C DONGLE

Plug-and-play wireless connection for your PC or laptop.

DUAL DEVICE CONNECTION

Connect to your computer and mobile device simultaneously and switch effortlessly.

UNIFIED COMMUNICATIONS COMPATIBLE

Works seamlessly with leading UC platforms and softphones.

About Talo

Eyes And Ears

Our Vision Was Inspired By The Very Senses That Shape Human Interaction:

Eyes That See, Ears That Hear, And Minds That Comprehend.

That Is How TALO Was Born. To Elevate The Technology Behind Our Most Essential Senses, Merging Engineering Intelligence With The Human Experience.

Talo DNA

Our Name

TALO Became The Foundation Of Unified Communication —Just Like A Home Is The Foundation Of Every Space We Live And Work In. That's Why Our Finnish Colleague Chose The Name "TALO," The Finnish Word For "Home." A Symbol That Reflects What We Set Out To Build:

- The Core Of Every Connection.
- The Base Of Every Conversation.
- The Place Where Communication Truly Begins

Talo

This Is TALO. This Is How We Started, And This Is How We Move Forward.

Roots

In 2015, We Came Together As A Team Of Engineers. Shaped By Rigorous European Precision And Deeply Rooted In The Culture Of Innovation Of Our Homeland, America, We Shared One Unwavering Belief: Communication Technology Must Be Better.

Innovation

After Years Of Engineering Behind The Scenes For The Industry's Biggest Brands, We Saw How Convention Can Stifle Progress. Driven By The Boundless Freedom To Innovate, We Stepped Away To Create Our Own Space.

Hybrid Revolution

As The World Shifted, Erasing The Traditional Borders Between The Office And The Home, We Realized That Conventional Tools Were No Longer Enough. At The Dawn Of The AI Revolution, The New Era Of Hybrid Work Demanded Intelligent, Adaptive Technology Capable Of Completely Bridging The Distance.
